1 Introduction

This User Guide is developed to help employees and managers effectively use the Employee Self-Service (ESS) system.

1.1 Scope of the user guide

This guide applies to all employees and managers who use the HC Self-Service system for HR-related requests, approvals, and information access.

1.2 What is Employee Self-Service?

Employee Self Service (ESS) is an online platform that allows employees and managers to conveniently access and manage HR services without physically coming to the HR office. Requests submitted through ESS will be reviewed and approved by the HR Office within the system.

1.3 What services are included in the ESS?

Current the ESS is designed to provide the following services;

- i. Work Experience Letter;*
- ii. Support Letter to Emabasy;*
- iii. Guarantee Letter,*
- iv. Other Support Letter;*
- v. Medical referral (slip for Staff's eligible spuse and child)*

Using the system Employees and management members can;

- request for these letters/Medical slips,
- view the status of their request; and
- once approved, download and use for the intended purpose.

5 Ordering and Getting Guarantee Letter

It is apparent that the Bank issues **ONLY TWO GURANATEE** for employee. Now the system manages this policy. If you order guarantee letter and approved on the system. It is considered that **the guarantee is used**, and the **Bank needs confirmation letter** from the organization to which it is written to clean the record.

⚠ Important Notice:

If a guarantee is approved with **incorrect information** entered by staff in the system, it will still be considered as *issued*. To correct/clean the guarantee record, an official confirmation letter must be obtained from the organization to which the guarantee was issued. Information should be **filled with due care and rechecked** before submission.

Ordering and getting Guarantee Letter essentially follows the similar steps as Work experience. Some differences are there in submitting request. **Guarantee letter** shall be issued **in Amharic**

Submitting Request:

Step-1: Fill your information: The employee's information need to be in **Amharic Alphabet** as indicated below. To do so you are required to type your names and other information in MS word and Copy to the system. After filling your information and short description Click '**NEXT**' button.

Step-2: Enter the full name of the person you want to be a guarantor and the name and address of the organization.

In similar manner, to ensure correct spelling, first type the full name and organization details **in Amharic** using MS Word, then copy and paste the information into the system.
